

Nailissimo

Natural Concentrated Regenerator for Nails

Hand Care

Nailissimo solution contains a myrrh-based active ingredient that **helps restore nails' natural flexibility while making them more resistant**. This naturally concentrated regenerator helps keep nail and surrounding tissue healthy and beautiful. **Paraben-free.**

Tips from Solifa

Nailissimo is easy to use – just apply to nail and surrounding tissue with the brush, let dry a few moments, and rinse away excess.

Learn more

Myrrh extract comes from a spiny, East African tree. The small, yellow droplets that run down the trunk are gathered once they have dried. Myrrh has been used since medieval times for its regenerating and healing properties.

10 ml bottle

Packaging:

Each unit packed in bubble bag
